

Christopher J. Cox

Ready to lead statewide Child & Youth Programs

For 13 years, I have led statewide Child & Youth Program work for Iowa Army National Guard families. My experience matches the work this position requires: setting program direction, coordinating statewide delivery, evaluating results, managing resources, supporting staff and volunteers, and building partnerships that expand what families receive.

13 YEARS LEADING IOWA CYP WORK	1,237 ARNG AND ANG YOUTH REACHED IN 2025	\$54,100+ DIRECT PARTNER SUPPORT LAST YEAR	549 VOLUNTEER HOURS DOCUMENTED IN 2025
--	---	---	---

STATEWIDE PLANNING AND DELIVERY - Plan and deliver programs across Iowa, including the Military Family Ball, Summer Camp, and Fall Family Festival. - Coordinate staff, volunteers, partners, registration, communications, logistics, and resources across locations.	EVALUATION, REPORTING AND COMPLIANCE - Use registration, attendance patterns, survey responses, and family feedback when planning or changing programs. - Manage program funds with attention to compliance, accurate documentation, responsible spending, and event needs.
PARTNERSHIPS AND EDUCATION - Turned a \$30,000 program budget into at least \$84,100 in capacity through \$54,100+ in partner-paid support. - Served as statewide education liaison from 2017-2025 and supported educator training, school transitions, and Purple Star work.	PRACTICAL SYSTEMS AND PEOPLE - Built a no-cost RSVP tracker after the Eventbrite model used by the program changed; also created a centralized program website. - The 2025 report records four volunteer trainings, 153 volunteers, and 549 hours supporting program delivery.

PARTNERSHIP RETURN Swingin' for Soldiers paid more than \$50,000 directly to save camp. Iowa Select Farms, Swingin' for Soldiers, and the Auxiliary contributed another \$4,100 for the Military Family Ball.	WHAT I BRING ON DAY ONE Established statewide relationships, working knowledge of Iowa's military-family needs, experience carrying plans from budget through after-action review, and a record of finding practical solutions when resources are limited.

THREE INTERVIEW EXAMPLES

1 RESOURCE CRISIS Camp faced cancellation. Partnership work secured more than \$50,000 paid directly to the provider, keeping camp free for families.	2 PROCESS GAP When the registration model changed, I coded a no-cost RSVP tracker and kept family access open without adding a platform subscription.	3 STATEWIDE CONNECTION Education liaison work connected families, schools, state leadership, and military programs around transitions and Purple Star support.
---	---	--

Figures shown here come from the resume, competency portfolio, and 2025 program reporting. Partner contributions were paid directly to providers and are not presented as additions to the program's appropriated budget.
